

Fig. 3

Fig. 3 is a schematic diagram of a medical device 12, such as a catheter. The device has a curved body 22 and a handle 44. A longitudinal channel 32 is formed by an inner tube 48 and an outer tube 52, both having perforations. A distal tip 16 is shown with a circular element 20 and a hatched area 56. A side branch 30 is also indicated. A separate component 70 with a grid-like structure 72 is shown nearby.
